

INTERNATIONAL ERWIN L. HAHN INSTITUTE AWARD 2024

The Erwin L. Hahn Institute for Magnetic Resonance Imaging (ELH, www.hahn-institut.de) awards the International Erwin L. Hahn Institute Award for breakthrough publications in the research fields of the ELH. Insights into the research activities at the ELH are provided [here](#). The prize is awarded for work that combines an innovative approach with scientific excellence, international visibility, and a substantial contribution to ultra-high field magnetic resonance imaging. The prize can be awarded in the following categories: (I) BRAIN, recognizing outstanding contributions to neuroscience and brain imaging, and (II) BODY, honoring breakthrough achievements in the field of body imaging, both published within the last 24 months.

»» Eligibility

Mid-career scientists with a doctoral degree, working at universities or other research institutes. Self-nomination is not possible.

»» Prize

The award is endowed with 2,500 EUR in each category.

The awardees will be invited to briefly present their work at the Erwin L. Hahn Lecture & Workshop on 13th of November 2024 in Essen, Germany.

»» Documents required

The following documents must be submitted in electronic form (in one pdf):

- Breakthrough publication
- Summary of the work and its relevance to the research field (1 DIN A4 page)
- CV
- List of relevant publications (max. 10)

»» Submission

Proposals are to be addressed to the administrative director of the ELH, Dr. Franziska Günther (franziska.guenther@uni-due.de), by end of February 2024.
